Hamilton Nisei Appointed M'Master Nursing Lecturer

HAMILTON. — May Watanabe, Reg. N., B.Sc.N., has been appointed as lecturer in nursing on the faculty of the McMaster University School of Nursing. She assumed her duties on Sept. 1.

A daughter of Mr. Bunzo Watanabe of 104 Wellington St. N., Miss Watanabe is a graduate of Central Secondary School, Hamilton, and on entrance to McMaster University she was awarded a bursary by the Ontario Red Cross Society.

Following her graduation from McMaster University School of Nursing, with qualifications for public health nursing as well as for hospital ward administration and clinical teaching, Miss Watanabe did outpost hospital nursing with the Ontario Red Cross Society. She has been nurse-in-charge at the outpost hospital at Whitney in Algonquin Park for the last year.

Miss Watanabe was recently given a hearty welcome by the faculty and student body at McMaster School of Nursing. During her senior year in the school she was the popular president of the Undergraduate Nurses' Association at the University.

Next JACL Convention Site Not Yet Chosen

LOS ANGELES. — Setting a precedent, delegates to the 13th Biennial National JACL Convention failed to select a site for the 1956 confab.

Because of the high cost of sponsoring the large function, other chapters would not bid for the convention. As a result, the next site will be selected in the spring at a board meeting of the national officers.

Van. Civic Council Now Red Feather Agency

VANCOUVER. — The Vancouver Civic Unity Council has been accepted as a member of the Community Chest and Council of Greater Vancouver, it was announced recently. This Council has a program of combatting discrimination and encouraging civic unity.

Dr. H. S. Saita, president of the B.C. JCCA, is a member of the advisory board of the council.

100 Persons Attend Tor. JCCA Banquet For Japan Consulate

In his address at the Toronto JCCA's welcome banquet, Consul Kengo Yoshida declared he would do his best to promote Japan-Canada relations, particularly in trade, during his tenure at the recently-established Japanese Consulate in this city.

When the first announcement was made of his appointment to the Toronto post, Yoshida was with the Foreign Office in Tokyo. His associates in the Foreign Office were really envious of him, and after the first four months in contact with the local people, he realizes the reason for their envy, Yoshida said.

Although Yoshida doesn't know how long he will remain in Toronto, Mrs. Yoshida and their daughter, Kyoko, would like to stay forever.

Vice-Consul and Mrs. Eiichi Uchida and their daughters, Yuko and Mie were also greeted at the banquet.

About 100 persons, three-quarters of them Issei, the rest Nisei, attended the banquet held Saturday at the Golden Dragon. 42 of those attending were women.

Japanese Premier Yoshida Reaches Vancouver Safely; Greeted at Ottawa Monday

Kimono-Clad Girl, Nine, Presents Bouquet To Yoshida; 500 Hear Address at Memorial

By GENICHI OHASHI

VANCOUVER. — Several hundred Japanese Canadians were on hand at 10:32 a.m. of a cloudy Sunday morning as Japan's Prime Minister Shigeru Yoshida was greeted by Canadian government dignitaries at Vancouver International Airport.

Former ambassador to Japan, Robert Mayhew, and Fisheries Minister James Sinclair were among the Canadian officials greeting the Japanese Premier.

Kimono-clad Diane Miyasaka, 9, daughter of Vancouver JCCA president Robert Miyasaka, presented the visitor with a bouquet of roses at the air field.

Then a ten-car procession whisked Yoshida and his party of 16 to the Hotel Vancouver.

The sun broke through the clouds as Consul Shigeru Hirota, at the request of Premier Yoshida, placed a chrysanthemum wreath on the Japanese War Veterans' Memorial at Stanley Park.

Five hundred listened as Yoshida thanked the Japanese Canadians on behalf of Japan for their part in effecting good will between the two nations.

Issei representative of the Vancouver JCCA, Kiyoharu Momose made reply to Yoshida's address, and presented him with a pen and pencil set on behalf of the local Japanese Canadian community.

After attending a dinner held by Mr. R. W. Mayhew, Yoshida departed for Ottawa via a chartered TCA flight at 10:30 p.m. and was expected to arrive at 10 a.m. Monday.

OTTAWA. — Prime Minister Shigeru Yoshida arrived at Rockcliffe air field Monday for a two-day visit at the Canadian capital.

The visit is listed as a formal courtesy call, repaying Prime Minister St. Laurent's visit to Japan last spring, but the Japanese premier was expected to get reports on the progress of his country's application for membership in the Colombo Plan, and on Japan's developing trade with Canada under the new treaty effected last June.

ACTOR HENRY NAKAMURA RETURNS HOME TO HONOLULU AFTER MAKING TWO FILMS

HONOLULU. — Henry Nakamura, Nisei movie actor remembered as the comedian of MGM's "Go For Broke", returned to his Honolulu home recently after a year's stay in Hollywood and after finishing two new pictures.

The first of these new films, "Adam and Athena," has a cast headed by Jane Powers, Debbie Reynolds, Edmund Purdom, Vic Damone and Linda Christian.

The other is "Unchained" with Chester Morris, Elroy Hirsch, Todd Duncan, Barbara Hale, singer Johnnie Johnston and John Quaylen.

"I have a good role in 'Adam and Athena,'" Nakamura said.

He was enthusiastic about "Unchained," too.

"This is a new type of prison picture," he explained. "We went to the California Institute for Men at Chino, Calif., to make it. Those confined there aren't called prisoners, but inmates.

"The picture shows the liberal side of prisoner treatment. I believe it will do a lot in bringing up more institutions of this kind. It's a good picture.

"One of the actors, Todd Duncan, is a Negro singer who visited Honolulu back in 1946. He gave a concert here at the time. I had a long talk with him during the filming and he had plenty of pleasant words for Hawaii."

"I've made two major films during my one year's stay in Hollywood, and I'm happy. I intend to continue in the movies.

"I'll be here for two months to attend to my personal affairs, then return to Hollywood. Of course, if my agent wires me earlier that a good part awaits me, I'll cut short my vacation."

His agent is Meyer Mishkin who "handles pretty big stars."

Besides making the two major films, he appeared in a television film. It was the first of a series of TV shorts called "December Bride," starring Spring Byington. It's a family story patterned along the lines of "I Love Lucy."

"By the way, while I'm here I must try to gain [illegible] weight. When I was in the Army, I weighed 1[illegible] pounds. Now I'm down to 120. I must gain back ten pounds."

Discovering Real America

Denver

The folks at one of those foreign relations places called up the other day and said Prof. Masami Nishikawa was coming to town. He is, they said, professor of American literature at Tokyo University, and would I like to meet him?

Professor Nishikawa turned out to be a small, slight, bookish sort, completely charming and full of wonder at these United States. In the tradition of professors, his gift was [illegible] and [illegible] day bus ride from Albuquerque, N.M., [illegible] over [illegible] he talked about a great many things. It turned out that while he could teach most authoritatively about the writings of Twain, Hemingway, Dos Passos, Faulkner and sundry other American men of letters, he had never seen the United States. In fact, he'd never been much of anywhere and had acquired the nickname of Stay-at-Home Professor. So one of those foundations that does a tremendous amount of good in the field of human relations gave him a round trip boat ticket, some spending green, and told him to go off and discover the real America.

Thus he was in the process of doing so, from the vantage point of a seat in a cross-country bus, as well as through the guidance of various individuals who were alerted to meet along the way.

Frequently on the bus, he said, earnest young men introduced themselves as ex-servicemen who'd spent some time in Japan. They wanted to talk about Tokyo and Beppu and Kyoto and what

Permit Gillnetters To Fish Continuously At End of Record Run

By GENICHI OHASHI

VANCOUVER. — More than nine million fish were harvested by Canadian and U.S. fishermen this season from the fabulous Adams River sockeye run. The catch was worth more than $15 million to the fishermen, and the final value will be in excess of $30 million after processing at the canneries.

This season's catch was the greatest since 1913 when 30 million fish were netted prior to the disastrous Hell's Gate rock slide.

So successful has the salmon season been this year, that the International Pacific Sockeye Commission is turning over control of the remainder of the season to the federal department of fisheries.

The withdrawal allows the fishermen almost complete freedom (although subject to federal regulations) to catch increasing runs of chums, pinks, and springs now in the offshore waters and coastal rivers at the tail end of the sockeye run.

In this final mop-up of the Adams run, gillnetters are being permitted to fish from 6 p.m. Saturday, Sept. 26, to 8 a.m. this Friday. About 2,000 gillnetters crowded into the Fraser Saturday night, taking every fish that tried to make its way up the river.

AIKO SAITA

The death from cancer last week of opera singer Aiko Saita was mourned by many in Canada and Japan as well as in many other parts of the world.

Born 45 years ago at Cumberland, B.C., Aiko Saita received her preliminary musical training in Vancouver. She continued to study music as a hobby while working as a dentist's assistant.

The turning point of Miss Saita's career came when Japanese tenor Yoshie Fujiwara visited Vancouver in 1931 on a concert tour of Canada and the United States. After hearing the young mezzo-contralto in a recital, Fujiwara, Japan's foremost opera singer at the time, advised Miss Saita to give up dentistry and turn to music.

Encouraged by Fujiwara and her patrons Dr. and Mrs. E. Miyake, Miss Saita took her A.T.C.M. degree in voice at the Toronto Conservatory of Music in 1932 and went to Milan, Italy. She made her Italian debut at the palatial villa of a count and became an instant success. Music-wise Italians predicted an operatic career for the young Japanese girl with the dynamic voice.

Miss Saita made her Tokyo debut late in 1935, and after several months of concerts in Japan, she returned to Vancouver and sang for Pacific Coast audiences until 1939. During her last prewar tour in America, she sang in the Japanese program of the San Francisco Exposition which featured the best Japanese artists in the United States at that time.

A Canadian farewell recital was held at the Vancouver Japanese Hall in September, 1939, and she returned to Japan in November of that year. In Japan she joined the Fujiwara Opera Company and was regarded as the only Nisei vocalist in Japan with an international reputation.

At war's end, she longed to return to Canada and finally did so a year ago with the plan of further study in New York after concert tours across Canada and in the eastern United States. On completion of her highly successful Canadian tour last May, Miss Saita was prevented from carrying out the rest of her plans by her illness. It seems very fitting that she was able to sing in her native land before her passing, to the many who had long remembered her and will continue to remember her.

Aiko Saita will be remembered by many in Canada for her versatile renditions of songs in the English, French, Italian, and Japanese languages. The Issei and the older Nisei will remember the Japanese folk songs that she sang in Canada, the popular versions of the times, as well as the old favorites. During her too brief, colourful career, Miss Saita sang the title role of Bizet's "Carmen" no less than 89 times. She was noted for her dramatic ability as well.

A good natured, happy person, Miss Saita often sang to keep up the spirits of visiting friends and relatives as well as her own during the illness which led to her passing last week.

DISCOVERING REAL AMERICA

(Cont'd from P. 1)

a wonderful place good old Japan was, and how tasty the beer had been, and how nice the girls were to lonely GIs. Most of this conversation filled him with pride.

As for the individuals who hosted him at the various stops, they seemed to reflect the universal American trait of making haste. Sometimes, when they were driving him around, Professor Nishikawa would have liked to stop and admire the wildflowers at close hand, or take a long and meditative look at an exceptional view. But no. The road always stretched ahead and there was more ground to be covered. So there was no time for such placid pleasures. They rushed on.

"I supopse," the professor said philosophically, "that such haste is necessary with such a huge country."

Professor Nishikawa had just come through the New Mexico desert country. One of his high spots was visiting an Indian pueblo where he had shaken hands with the governor. He was astounded when I told him I'd met a Japanese war bride in New Mexico married to a Zuni Indian boy.

The professor was on his way to Florida by way of the deep south. He was a little concerned as to whether he could understand southern speech. Come to think of it, that could be quite a problem to one not accustomed to hearing English in its many American corruptions.

I asked him what I could show him in Denver. The mountains? Museums? Denver University or the University of Colorado? Residential areas? No, he wasn't particularly interested in any of these sights. But he did want to visit a few second hand book stores. Books, he explained, were his hobby and he was poring over the shelves of bookstores everywhere he went. So we left him poring happily.

Several days ago I got a thank-you note from the professor. Know what he enjoyed most about his Denver visit? Not the lamb curry we ate. Not the books, but a chance to speak in Japanese with me. He felt a little less lonely after that. And though he didn't say so, he must have been amused, too, at the way I mangle the language.

On Being a Canadian

FOR MOST of the 365 days of the year I take my Canadian status for granted. And then something will happen to remind me that I am proud to be a Canadian, and that no Canadian need apologize for me.

This was brought home to me the other evening. I had been speaking on the legitimate theatre — a subject dear to my heart. I mentioned that Frances Hyland had that "shining quality" that makes her an actress of the first order. I had seen her performance at Stratford, Ontario, and had experienced a thrilling moment. To me she was an actress worth watching. I may have been exuberant in my opinions but never extravagant.

I was not prepared for the answer I received. He said, "Sure, she's not bad — for a Canadian!" And this from someone whom I considered intelligent and a Canadian. And I recalled other occasions when things were "not bad — for a Canadian". I had heard this remark in reference to literature, ballet, machinery and the countless other things which make up the course of interesting conversation. It is, I find, a remark which is typical of Canadians. It's a self-deprecating attitude, a kind of national "apology" for Canada's inability to match up with other countries. It's an attitude which makes my blood boil.

I put it bluntly, "Are you ashamed of being a Canadian?" "What kind of a Canadian are you?" I was accused of flag-waving, and reminded of that perverted nationalism which has alienated parts of the western world from the Free World.

My kind of Canadianism is a faith in my country and in Canadians. My kind of Canadianism is neither flag-waving nor apology but a calm assertion of our convictions, without smugness or self-complacency. It springs from a sense of well-being which is a result of what Canada has given me through the efforts of Canadians, as Canada emerged from colonialism to nationhood, from instability, from hardship to economic prosperity.

I am proud of being a Canadian. It is true that my being a Canadian was not by choice but more by chance, by some strange fate which determined that my parents settle in that portion of the world designated as Canada. And that I, like Topsy, "just growed" here. I am bound to it by deep-rooted intangibles which can not be named, only felt. I have experienced the impact of her weaknesses, and have suffered from it, just as I have prospered in the shadow of her greatness. And therefore I am confident of her future.

I become a fighting Canadian when some stranger, newly entered within our gates dare belittle our way of life, our art, our culture or our people. I cannot accept any superiority on the part of strangers which belittles the very process which allows these selfsame people to express anti-Canadian feelings.

And to hear "Not bad — for a Canadian" on the lips of Canadians is enough to make me come right out to say I am a Canadian, for better or for worse. Such a comment has for me greater implications than may be realized by those who make them. It is a point of view which, under a semblance of faint praise, scorns anything with a "made in Canada" label, be it talent or [illegible]. It discounts Canada's growth, her economic stability in a world of unbalanced economies, her cultural and scientific contribution to the world in general. Worse still, not only does it [illegible] her position and her influence in international affairs, but [illegible] Canada's future.

Perhaps there has been too much stress on the [illegible] aspects of national pride, to the discounting [illegible] of healthy pride and faith in one's own country, be it by adoption or by birth. It might be a good thing to learn how [illegible] Perhaps the Rt. Hon. Vincent Massey, when he was Chancellor of the University of Toronto, expressed the Canadian ideal the most fittingly when he drew up the [illegible] for Canadians:

"I believe in Canada, with pride in her past [illegible] present and faith in her future.

I believe in the quality of Canadian life [illegible] of Canadian institutions.

I believe in the Commonwealth of Nations [illegible] bounds we have found freedom, and outside of which [illegible] life would lose its independant being.

I believe in our abiding friendship with [illegible] an honest friendship without either the subservience [illegible] rivalry which must impair true partnership.

I believe that Canada is one, and that [illegible] on those things which its parts have in common [illegible] the unity of the whole.

I believe that with sound work, the spirit [illegible] an awareness of ourselves, we can look forward [illegible] beyond our imaginings."

I am proud to be a Canadian, and no Canadian [illegible] for me.

「先ごろ、西坊の武蔵坊弁慶、熊野の別當タン宗とのへ乱暴の振舞ありと聞こし召され法皇様にはことごとくお怒り、引立て御おきてを受けて、かくは参つたるぞ。それ、弁慶を逃がすな」
「おう」
と供の武者たちは、めいめい馬首を立て直し、弁慶のほうへ迫つてきた。
「何んと」
弁慶は、面くらつた。
あの夜、タン宗へ乱暴を働いたのは自分ではない。
山の使いで京のギ陀林寺へ行つたとき、タン宗が熊野へ帰る途中を、平家の公達が襲むうとしている、と弁慶は聞いた。すぐに弁慶は、北の小御所へ駆けつけタン宗の身代りに輿に乗つて、六條の辻あたりで、襲いかかる者たちを手玉にとつたのであった。
だから自分が捕へられる理由はない。
「愚かなことを申すな」
笑い出したくなり、弁慶は、大長刀をきらりとひらめかせ、一振りした。
雪は小降りになつていたが、その雪をないだ大きな刃が光ると、武者たちの馬は、おどろいてさを立ちになり、はずみをくつて、馬からころげ落ちたほどであつた。
「おれがタン宗どのに狼藉働くいわれはないわ。あの乱暴者たちを取りひしいだは」
言いかけて弁慶は、はたと口をつぐんだ。
そこから五間ほどはなれた坂下に立つている、もう一騎の武者の姿が眼に入つたからであった。

十月渡伊し出演
中村哲氏は歸途カナダ訪問か

【東京通信】日伊合同製作天然色映畫「お蝶夫人」が今秋イタリーで撮影され、それに參加するキャストの一人に中村哲君が出演することはかねて報じた通りであるが、主人公お蝶夫人には寶塚出身の八千草薫（やちぐさ・かほる）が決定し、町娘や藝者に扮するため他に寶塚歌劇のスター十六名も參加。これら一行三十名は豫定より少しおくれて十月早々空路イタリーに出發する筈である。忙しいタイムを繰合せて私（露木）は中村君と二時間ばかり面會した。中村君は語る。

▽こんどの企ては本格的なオペラ映畫であり、充分の用意がくり返された。必要な道具は便船ですでに積み出された。私の役、山鳥公爵は最初からイタリー側の希望であり、面目を發揮する絶好のチャンスと思つている。健康にも恵まれているので自信を持つている。撮影が終るのは十一月中旬であるが、その後しばらく滞在し、仕事の繰合せが出來るなら歸路はカナダを廻つて日本に歸りたいと思つているが、この私の故郷訪問が實現するかどうかは十一月末にならぬと判らぬ。

なおこの映畫の公開は來年五月頃の豫定で國際映畫の一つのエポックを創造するものとして各界から期待されている。

カナダの恩人(二)
——前首相マツケンジー・キングのこと
田中耕太郎

修養時代

マツケンジーは一八九一年の秋トロント大學に入り法學を修めた。彼は普通の大學生のするように、スポーツに熱中したり、週末にピクニツクに出かけたり、パーテイーに出かけたりすることなく、專ら書物に沒頭し、定めた日課通りに眞面目に勉強した。この頃の彼は法曹として成功するタイプと思われ、政黨の首領となるような素質は現われていなかつたのである。

當時大學生の中に彼の政治生活を通しての政敵アーサー・ミーエンがいた。ミーエンはすばしこく、ねばり強く、雄辯かつ冷利であり、彼と鈍重なマツケンジーとは兎と龜に比すべきものがあつた。しかるに後年この兎は龜に完全にしてやられたのである。

彼は勉學の閑に新聞配達の少年達のクラブを作つてそこで土曜日の夜講義をしたり、日曜には少年病院に出かけていつて、病める少年達に話をしてやつた。かくして彼は社會の現實に觸れ、人間性を發見したのであつた。ベルリンのパストラールなふん囲氣に育ち、古典的自由主義の教科書に沒頭してきた彼には、社會の悲慘な斷面は深刻な衝擊を與えた。

かようにして社會問題に興味をもちはじめた彼は、法學を中途でやめて、經濟や行政に志すようになり、かくして政治に興味を感じ始めたのである。

マツケンジーは一八九六年シカゴ大學の給費生に選ばれ、ジエーン・アダムスのハル・ハウス・ソーシアルセツトルメントに起居するようになつた。彼は朝六時に起きてそこから七マイルの距離を高架線電車と徒歩で大學に通つた。彼はシカゴの暗黒面である貧民窟の實相を見た。彼は母親から子供の時の貧乏についてきかされていたが、今目の當り貧乏そのものを見た。アダム・スミス的な自由主義理論がもたらす社會惡は彼の感受性の強い心に深刻な印象を止めた。彼は自分が一生の中に百万長者になるようなことがあつても、一介の貧乏人として自分を貧乏人にささげようと想像し續けたのであつた。

さらにマツケンジーはトロントにおける貧民の狀態を研究し、自由競爭が勞働者の生活程度を高めないばかりか低めていること、低くなつた部分は企業者の利益になつていることを洞察した。又彼は纖維工業の實態や郵便配達夫の制服についての政府と業者間の請負契約を研究して、自由主義經濟政策に立脚するローリエ——後年彼はその後繼者になつた——の政策を檢討し、その欠陷を發見した。彼の報告はローリエ內閣の郵政大臣で彼の父の友人ウイリアム・ミユロックを動かし、彼の改革意見はミユロックの賛成を得て採用されるにいたつた。

一八九九年ハーヴアード大學において經濟學のドクターの過程をすませた後にマツケンジーは海外留學生としての推薦を受け歐州に旅立つた。彼はロンドンの貧民を研究し、當時勞働黨のホープであつたラムゼー・マクドナルドに逢い、フエービアン社會主義の精神を攝取し、スウイスの自然美を賞し、社會生活を研究し旅によつてみがきをかけられてローマに赴いた。

新しき世界への驚き【八】
平井泰太郎

新しき經營 社會の經營者

經營社會問題の主題は、勞働者經營參加のあとにくる經營機構の問題であつた。勞働者經營參加は、運動でなくてもう事實である。主張とか、闘爭ではなくて、歐米ではもう機構と手續きの再檢の段階である。日本では總理大臣を作つても、毎日々々ゴタゴタいう。まだ政治機構が若いのである。アメリカでは大統領選擧には大騒ぎをするが、できた翌日からやめろという運動はしない。

本當にやめさせる理由があるならリコールすればいい。選んだからにはある程度思い切り仕事をさしてみなければいけない。

勞働者經營參加でも同樣であつて勞働者經營參加とは勞働者が毎日小刻みに闘爭することではない。又勞働者から、あるいは勞働者の利益代表者から執行重役を出すという意味ではない。現に、平重役は從來でも必ずしも社長以下常務重役の仕事にいちいちクチバシを入れるのでもないし、いちいち重役會議をして決議や了解を得るのでもない。その代り、必要なインフォメーションは十分に報告する。つまりこの體制が勞働者經營參加の際にいかに行わるべきかの問題なのである。

經營者の問題も相が變つてきた。從來、經營者とは資本家の代辯者なりという闘爭理論もあるが、一時代古いのではないかと思う。そんな呑氣な番頭經營者では第三の世界、ノボ・ムンドの經營者は勤まらない。今日の經營者は、超大規模となり、國際的となり、國家的、社會的存在となつている。この「特殊社會」の多くの利害關係者の利害を調整し、經營責任を負担し、十分に執行するということは、大變な能力を要するとともに、大きな負担である。近ごろドイツで「マネージャー」というのがはやる。マネージャーになると、短命である。またよく病氣になる。マネージャーは、せからどうしても、三期以上は勤まらぬ、との定説が出てきつつある。五期も十期もマネージャーの地位にあることそれ自身が無能力か怠慢かの證據である、という論理さえでてきているのである。

首相、台風惨事を聞き心痛

出迎人に笑顔で應え國賓としてオタワ訪問

「吉田タナ上げ」の新黨結成、ビキニ水爆實驗の犠牲者久保山さんの死、それに伴う全國的な反米感情のうずまき、それらをしり目に吉田首相は外遊の途につき、バンクーヴァに到着したとたんに側近から聞されたバッド・ニュースは死者約三千名を出した津軽海峡を襲った台風の一大惨事であった。吉田首相はこのニュースにひどくショックをうけ、沈痛な面持ちであったという。随行の松井明氏は「われわれはこれを聞いて大いにおどろいている。首相も大變心配しているようだ。外遊の前途はこの惨事によって悲しみに包まれることだろう」と語った。しかし二十七日午前、國賓としてオタワに到着した吉田首相は出迎えの多數官民、キャメラ陣に對して明るい笑顔でこたえた。

最惡の海上被害

津軽海峡で死者三千名を出す

【東京發】台風ジェーン號が日本海に進路を向けて去ったと思われていたのが、急に豫報なしに逆轉、二十六日夜津軽海峡を急に風速時百十五マイルで襲い同地方を大荒れに荒して通り去ったが、このため青森・函館連絡船トウヤ丸(乗組、船客とも千二百五十二人)は大暴風をさけようと函館港外に出たが岩石にぶつけられて轉覆、船客千名は行方不明(死体五百九十は判明)となり、このほか九隻の連絡船、約一千の小舟(など)いずれも大破沈没したが死者は三千名に上るものと見積られているほど日本海運史上最惡の遭難事故を出した。稚内(ワッカナイ)人口二万(三千)は火炎のためほとんど全滅、北海道の各地方では地くずれ、洪水できながら地獄のようだと傳えており、また扇形の函館港の海岸には救命袋をつけた溺死体があちらにもこちらにも漂着、まるでこの世の地獄図で目もあてられない有様である

日本移民を要請

吉田首相はオタワにおける記者會見で、カナダは日本からの移民を許してほしい、日加通商増進を希望する、コロンボ・プラン日本も参加したいと述べた。

日本首相訪加は最初だ

答禮にきたとメッセージ

ツランス・カナダ・エアライン機で二十七日午前オタワに到着した吉田首相はカナダの國賓としてカナダ國民に次の如き聲明を發表した。

今回カナダ訪問の主要目的は今春カナダの首相が日本を親善訪問されたので答禮するためでありますと共にわが政府と國民の心からなる親善と敬意のメッセージをカナダ國民に、個人的にもたらすことにあります。

今年日本でサンローラン首相を迎えましたことは實に歴史的なことでありました。カナダの首相が日本の土を踏まれたのはそれが最初であったのであります。カナダ首相の訪日は初めてのこととて非常に感銘をうけ、わが國民はカナダ國民の深甚なる友好ゼスチュアとみなしているのであります。今回、私がカナダを訪問するよう招かれまして申し上げたいことは、私もまた貴國を訪問する日本の首相として最初であり、新しい歴史を作ることになるということであります。

本日ここに参りましてわが國民が貴國の偉大なる發展と世界國家社會に對する貢献に大きい賞讃の言葉を述べる機會を得ましたことは欣快とするところであります。

不幸にしてオタワ滞在はまことに短時間でありますが、日加間の友好關係が更に強化されることに何等かの役立ちになれば幸いこの上もないと切に念願している次第であります。

「不幸の日」

米國民も深く悲む

【ニューヨーク時事通信】米國ガンジー平和主義者團体では先週末久保山さんの死について「日本國民に對し最大の遺憾と哀悼の意をささげる」と次のような聲明を發表した。

久保山さんの死んだ日は米國にとって不幸の日である。日本が米國に對して現代の恐怖、憎悪、暴力から脱出する道を今後も示してくれるように祈る。また日本がガンジーの方法によって、その内外からのあらゆる壓制と不正に暴力を用いずして抵抗しながら、あらゆる戰爭に反對することを決意した。非武装國家を世界に示して導くように祈る。久保山さんの死のニュースに深い悲しみを抱く米國人があることを日本の人々に知ってもらいたい。

晩市に放射能雨

ソ連が原爆テストした結果

最近裏日本一帯を襲っている強烈な放射能雨がソ連の水爆實驗の影響によるものと日本でさわがれているが、この放射能雨が遂に先週バンクーバーまで到達し降ったとうの晩市々民をおどろかしている。カナダの調査官の調べたところ、バンクーバーに最近降った雨の中には若干量の放射能を認めたとのことで、これにより一週間ほど以前にソ連が北極圏のどこかで(日本ではランゲル島といっている)原爆テストを行ったことを意味すると發表した

御木本翁に叙勲

【東京發】日本政府は先週末の閣議で去る二十二日死去した御木本幸吉氏に對し正四位勲一等瑞寶章を贈ることに決定した。

無暴要求

勞組差控えよ

第十四回シーシトエル(合同三十七万五千)年次會議は今週よりトロントで開催中であるが、閉會日にあたりモッシャー會長はカナダの勞組リーダーに對し、増賃要求にとびつくまでに周圍を十分見廻せと警告を發した。國内並に國外市場の競爭がはげしくなりつつあるので使用者が支拂い得ない無暴な賃金要求は差し控えるべきであると強調、いまの調子では[illegible]勞働者の[illegible]

【東京時事通信】久保山さんの死は各方面で深刻な反響を呼んでいるが、久保山さんの治療に献身的な努力を拂った東一病院の熊取主治醫をはじめ學界、評論家、作家などの意見を聞くと様に今度の久保山さんの死から原、水爆の悲しさを痛感し、原、水爆の禁止防止を強調している

觀光宣傳所にもトロントにも新設

【東京發】運輸省では來年度から五ヵ年計畫、三億五千万圓の豫算で「觀光日本」の宣傳に力を入れることになった。そのため之れまで紐育とサンフランシスコにしかなかった日本の海外宣傳所をカナダのトロントにも新しく設け、宣傳費も十万弗に増やし、又羅府、シカゴ、サンパウロ、パリなどに新設の計畫を進め地元の宣傳員を觀光日本の宣傳に當てる事になっている、これと相呼應して國内の受入態勢を整備することになりホテルを整備するため來年度には開發銀行から六億圓一千万圓を借り入れるほか東京[illegible]、東京[illegible]輕井澤[illegible]間に近代的な設備をもち自動車用の新鋪道をつくる豫定である。その他運輸省では一万二千トン級の豪華旅客船[illegible]建造も[illegible]る案。

【東京發】「日本とビルマ連邦間賠償および經濟協定に關する協定」の假調印式は先週末外務省で岡崎外相、ウチョウ・ニエン・ビルマ親善使節團長との間で行われた。日本はビルマに二億五千万弗を賠償(十年支拂)することになり、五千万弗の日本投資でビルマ經濟開發を行う。

ストーン牧師に日系が深い同情

台風のために外人四十四名(主に米軍人)の死者も出たが、うち二人はカナダ出身の宣教師で一人はストーン牧師、同氏夫人はトロント市日系合同教會の婦人傳道部に無給奉仕しており日系信者から今回の不幸を深く同情されている。ストーン牧師一家は永らく日本で布教していた人でこのほど子供の教育のため歸國、夫だけ再び日本へ赴任したもの。

Tor. Nisei Shuttlers To Hold Badminton Meeting next Tues.

Roy Shin, president of the Toronto Nisei Badminton Club, has called the first meeting of the shuttle season for Tuesday, Oct. 5, at the Metropolitan Gym. Roy has lined up an ambitious programme for the year and will present it for discussion at the meeting.

All past and prospective members are asked to be on hand at this opening meeting as starting date for the season will be set. An earlier start for the Nisei shuttle club is in the offing.

Trinity-Bussei Net Rematch Rained Out

Rainy weather forced postponement Sunday of the inter-club tennis matches between the Trinity and Bussei clubs of Toronto.

Trinity prexy Nobby Kimura hopes to re-slate the tourney for some time next season.

Sooners Win 1st; Top Dragons

Nisei Sooners downed Dragons 11-1 Saturday for their opening victory of the young grid season in the Toronto Ki-Y loop. Quarterback Tom Sumi threw two TD passes for the victory. Half Tommy Takamura was a standout, as he made many long gains on the ground.

Immediately after the kick-off, Dragons marched through the Sooners to the 25-yard line, but were forced to kick for the single point. George Williams punted later in the opening quarter for the tying marker.

In the second quarter, Tom Sumi hit end Stan Edgill for a touchdown, but he missed the convert. Sooners got their second scoring opportunity when Tommy Takamura carried to the Dragons' 10 stripe in the third quarter. Pivot Sumi threw another strike that Takamura snagged for the major. The convert attempt failed again. Final score: Sooners 11, Dragons 1.

Sooners' forward wall made the difference through most of the game.

Next Saturday, Sooners will clash with the Smith Boys at 1 p.m. at High Park.

21 ENTHUSIASTIC PUCKSTERS TURN OUT AS NISEI FLYERS CALL FIRST PRACTICE

Twenty-one enthusiastic hockey players got their first feel of the ice for the coming hockey season as Nisei Flyers called a practice Sunday morning. The one-and-a-half hour workout was more than enough for most of the pucksters as those creaky bones started moving again after the long summer lay-off.

Some of last year's players missed the opening practice, but are sure to come out in future sessions. A few new players were seen on the rink, and it is expected that more than 25 will turn out when the hockey bug sets in.

Each team may sign 25 players, and 18 of these will dress for each league game.

Goalkeeper candidates included last year's regular Rae Adachi and Alec Lewis. Defensemen were Joe Togawa, Henry Conrad, and George Anzai. Those trying for forward positions were Roy Kobayashi, Sho Mori, Connie Tanaka, Roy Tanaka, Archie Matsumoto, Yuki Kameoka, Major Fukumoto, Tommy Takamoto, and Ron Pierce. New players included Chuck Saito and Muts Kinoshita.

Bert Nasu and Dave Takashima were among those expected to turn up at later practices.

This year the team is trying to obtain Mas Nakao as coach. Mas was Flyers' mentor two years ago, but was unable to come out last year due to his studies.

Next practice has been slated for 10 a.m.-12 noon Sunday, Oct. 3, again at the Leaside Arena. All Nisei pucksters interested in trying out are advised to get in touch with George Anzai (MO. 6301) to arrange transportation to the rink.

Nisei Flyers wish to thank the public for the wonderful turnout at last Friday's dance. A sponsor for the team is still lacking. Anyone interested?

Westerns to Discuss Ball Club's Future At Banquet

Westerns, who bowed in the semi-finals of the West Toronto Senior Baseball League, will discuss the future of the team in a banquet to be held late next month.

With rumours that the West Toronto loop may fold, the future of the Nisei ball team has been uncertain, and definite decisions are expected to be reached in discussion at the team's season banquet.

Meanwhile, Industrial Lumber, the team that knocked Westerns out of the loop playoffs, have upset the dope and taken the West Toronto championship from the pennant-winning Mahers.

JACL to Battle USGA Bias Against Nisei Linksmen

VENICE, Calif. — The JACL is again prepared to aid another group of sports enthusiasts, the amateur Nisei golfers, it was announced recently by George Inagaki, national JACL president.

"The realm of sports should know no discrimination because of color," Inagaki stated upon reading a report that the national amateur golf association would not recognize Nisei golfers.

"The JACL went to bat for the bowlers several years ago and the full resources of our organization will be devoted to assist the golfers overcome discriminatory treatment," he said recalling the action spearheaded by the league in opening up the American Bowling Congress to Nisei.

In the Sept. 5 issue of the Los Angeles Mirror, Stan Woods exposed the story of the ban of Nisei golfers from tournaments sanctioned by the United States Golf Association.

Reaction among professional golfers was one of surprise and ... assured Nisei golfers playing So. Calif. links their assistance to break down the barrier.

Several members of the Top Notch club, one of seven Japanese American golf clubs in Los Angeles, told Woods that while the regular handicap system was employed, they couldn't get into USGA-sanctioned tournaments because "we have no official handicaps."

"Since they won't be bothered with us, we don't bother them. We have our tournaments, give out prizes and even have inter-club matches," Woods was told.

But this type of set-up makes it rough on a good golfer like Frank Yoshizaki, a 2-handicapper," Woods quoted another Top Notch member.

Yoshizaki, who toured the East and West courses at Fox Hills in 146 to win low gross at the JACL convention golf tournament, was told he could not enter the California State Amateur championships because he had no established handicap and not "because of any racial discrimination."
